Notice of https://www.spiritsdigest.hu/

This notice provides information on the use of this website from a privacy perspective. The website is operated and managed by **MMS Communications Hungary Kft.** (1056 Budapest, Irányi utca 17., trade registry number: 01-09-075283, tax number: 10516771-2-44) as subcontracting or data processor on behalf of **DIAGEO Üzletviteli Szolgáltatások Zártkörűen Működő Részvénytársaság** (1134 Budapest, Dózsa György út 144., trade registry number: 01-10-141501, tax number: 27408047-2-44) as data controller.

Given that this website is for the internal use of the controller's employees, the controller has decided not to use analytical measurements, thus avoiding the monitoring of employees, i.e. data subjects. The website therefore does not use cookies but below we would like to give you a very brief explanation of the links and cookie settings in general.

1. **Navigating to a third party site**

The website contains summary articles, at the end of which you will find a link to the page with the original article. Please note that these sites process data independently of the processing of this website, so please be aware of this when you click on any links.

The website could contains links or CTA buttons to videos hosted by a third party (usually Youtube), which, when clicked, will take you to a third party site. Before watching the videos, please check Youtube's privacy policy, which you can do at the following link: https://policies.google.com/privacy?hl=hu

Please note that these sites process data independently of the processing of this website, so please be aware of this when you click on any links.

You can also access the DiageoAdwatch campaign from the site by clicking on the "Open AdWatch" link. Please note that this site (https://nielsen.shorthandstories.com/diageo-adwatch-27th-October-2022/index.html) process data independently of the processing of this website, so please be aware of this when you click on this link.

2. **Good to know! General cookie settings**

Please note that you can remove all cookies from your device by deleting your browsing history. The browser programs commonly used allow users to disable all cookies on their device. To set this up, please check the privacy and cookie settings of the browser you are using.

If you are using the
